February Week 2, 2020

A message from our Principal...

Rimu Team Playground

Ready, set, go and they are off!

The level of excitement as the Rimu Team Playground was officially opened last Wednesday was infectious. Our PATHS team, and the Home and School group before them, have spent several years fundraising to provide a special place for our Year 7/8 students.

Playground People Ltd took the ideas from the students, staff and PATHS and have created a purpose-built space where the kids can hang out with their mates and be challenged physically. Please be aware that the height and difficulty of these structures are not suitable for younger students.

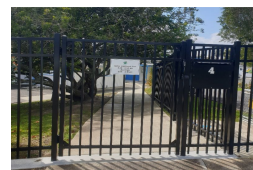

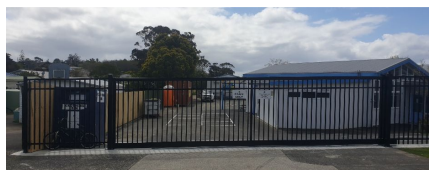

Playground People have very generously stated that they will supply the final piece of equipment, the Supernova, to complete the project and we can continue to fundraise for this throughout 2020. This \$120K project will be utilized for many years to come, however there is nothing quite like the memory of the first kids running on to investigate their new space.

Thank you all once again for the contributions you have made to creating this special place for the Rimu Team.

New Fencing Project

This week you may have seen contractors on site and markings on the paths surrounding the school. This is in preparation for our new fencing project that will see the entire school enclosed. The current gate and access areas will stay the same and the school will remain accessible to the community after school hours and in the weekend. As with any construction there will inevitably be some disruption, however the finished product (see examples below) will make our school a safer place for our tamariki. Approximate start date is between the 2nd and 9th of March.

Fri 3rd April

Gumboot Day

Kaipara Summer Sports Day - Years 7-8

Sat 4th April

Beautiful Pacifica at school

Thurs 9th April

Last day of Term 1. End of Term Hui (Assembly) 1:45 pm

Aim High – Arohia Ake

Mila's experience at the NZ Triathlon Champs

Every year there is a New Zealand secondary schools Triathlon Championship, this year it was held in Wanaka. On the afternoon of Saturday the 15th February I confirmed my registration and collected my timing chip and bib numbers, there was also a free event drink bottle. After registration we put my bike back together and tested it out. Then we went for a practise swim in lake Wanaka, it was freezing!

On race day, Sunday the 16th of February, I got up at 5am for breakfast and to prepare for the race in a couple hours. At 5.45am athletes were allowed to enter the transition area, there I racked my bike and set out my gear.

Next was the race briefing and then before I knew it I was on the start line. The Intermediate girls category all raced at once. It made it hard to know how well I was doing against my age group.

I had a great swim, a strong bike and a painful run. I knew I wasn't last but I did not know how well I had done until the electronic results were published.

When the final results were published we checked to discover I had come third in my age group!

It is my best ever placing in a Triathlon New Zealand endorsed event!
