### FROM THE PRINCIPAL'S DESK

I was lucky/crazy enough to take part in another obstacle race (Tough Mudder) a couple of weeks ago which was a massive amount of fun – 20km worth. Strangely I find all that running/crawling/sliding through mud, jumping into icy water and scrambling over walls somewhat invigorating. I do come from the South Island...

# NEWSLETTER NO. 8

1ST JUNE 2016

The event included a brand new obstacle, *Pyramid Scheme*, pictured below:

The people who you need to come across at an obstacle like this are the ones who are prepared to lend a hand – to *anyone*. I was in a team of two with my husband, so was very grateful to the complete stranger who jumped in and formed part of our human pyramid, allowing me to climb up the wall. Another racer, already at the top of the wall, reached over and

grabbed my outstretched hand, which meant I could pull myself up the last part and get to the top.

There's so much that just wouldn't happen in life without people helping others, and in organisations like schools, without the tireless work of volunteers.

Recently our school held its inaugural high tea. I'm sure there will be many more of these in the years to come, since it was such a successful event. Not only was it an excellent fund-raiser (the money will go towards a senior playground), it was a special time for everyone who attended. We spent the afternoon drinking tea, enjoying *scrumptious* food, being waited on and entertained by senior students and generally having a marvellous time. This was all due to the work of our Home and School volunteers, the sort of people who look around and, like those knights in shining armour on the Pyramid Scheme wall, reach out and lend a hand.

As dangerous as it is to single people out, the Home and School committee themselves have made it clear that Kalindi Drummond and Reagan Dayberg were the backbone of this event. The thought, preparation and planning which they put into the high tea deserves all of our gratitude, since it will be all of our children who

benefit when we have the necessary funds to purchase a new senior playground. Thank you to you both and to our myriad of school volunteers (who help with camps, trips, parent reading, fund-raising, classroom help and the list goes on). I'd run a Tough Mudder with you any day!

Thank you to all the players who have already paid.

Congratulations to Chris Rowe (Rm 14), who placed third equal in the Under 16 restricted section at the Auckland Bands Association solo contest on 15 May. Chris learns trumpet through MusicRoom, who provides instrumental music lessons to students at Helensville Primary School.

If your child has succeeded in events outside of school, we would love to hear from you.

If your child needs to leave school early, please remember to collect and sign them out from the school office

# Room 8 Writers

As I walked through the abandoned wasteland, I hope I find him. He was like a father to me. As I slowly crept through the snow my legs sank into the snow like boulders. I slowly fall into the white cloud of fluff. I was unconscious. I couldn't do anything - my time has come...

By Tyrone Regland

I turned around. All I could see was the pitch white snow. My body felt cold and stiff. I walked towards the hills to see if there was any light. My poles were the only things keeping me up. I thought my quest was over.

"Help!" I screamed but no one answered as it echoed away from me.

I knew I was lost. Alone at the top of the world.

### "CALLING ALL OLD MOBILE PHONES"

It's that time again to rummage around in your drawers and toy boxes and bring into School any unwanted mobile phones you may have at home.

It is estimated that each year up to three million phones become obsolete in NZ, of those only 2% are recycled.

Phones collected help our School gain valuable rewards and the environment benefits as well keeping our landfills free of mobile phones and their array of hazardous toxic substances.
